

## Pigment Red 266 Fast Red F7RK

**C.I. 12474**

Hue: Red

Chemical Class: Monoazo

CAS: 2786-76-7

EU No.: 220-509-3

| Fastness  |       |       |     |      |        | Range of main applications |        |             |               |             |            |                  |                  |            |
|-----------|-------|-------|-----|------|--------|----------------------------|--------|-------------|---------------|-------------|------------|------------------|------------------|------------|
| Heat (°C) | Light | Water | Oil | Acid | Alkali | Ink                        |        |             | Paint         |             |            | Plastic & Rubber | Textile Printing | Stationery |
|           |       |       |     |      |        | Solvent based              | Offset | Water based | Solvent based | Water based | Industrial |                  |                  |            |
